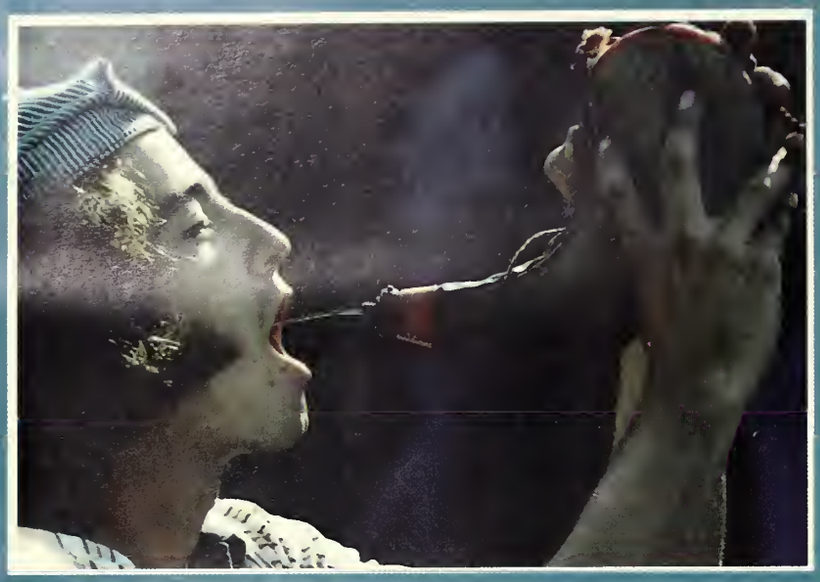
Fun for All



Going to class isn't all to life at SFA.

The many and varied organizations and committees offer a wide range of opportunity for activity, and a chance to make new friends.

With everything from ski trips to parties to intramurals, life at SFA offers something of interest to everyone.

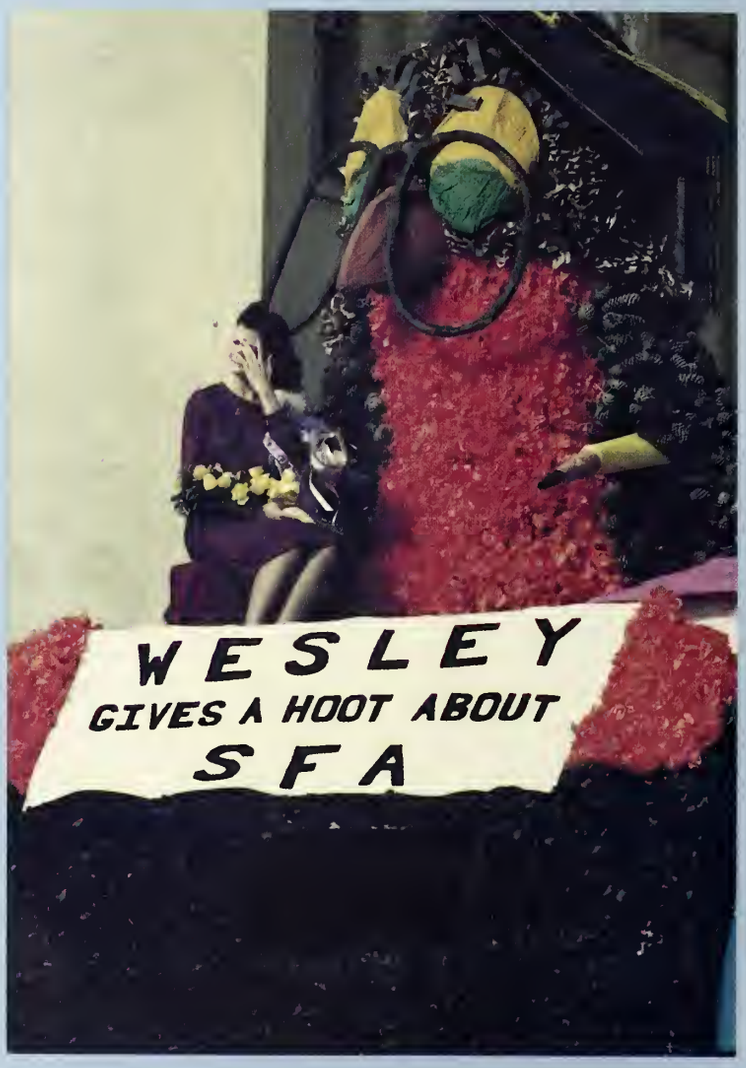
Homecoming Parade

Like the fifty others before it, Homecoming Day began bright and early Saturday with the parade. Smiling duchesses, marching bands and colorful floats wound through the streets as students, alumni and townspeople watched.



Lumberjack Day

One of the Homecoming traditions at SFA is Lumberjack Day, sponsored by the Sylvans Club.

On Friday afternoon, students gather behind the University Center to compete in such events as crosscut sawing, knife-throwing, axe-throwing, greased pole climbing and fire fighting.

Flannel shirts and suspenders are worn by many students and faculty to promote spirit.

SFA-TV 2

The purpose of SFA-TV 2 is to simulate the working environment of a television studio. TV 2 is staffed and operated by students, who are responsible for the production, scheduling, and cable casting of programs.

While existing as a "laboratory" for students, TV 2 also attempts to provide the community of Nacogdoches with educational, cultural, and light entertainment programs.

Dorm Life

If what happens to us makes us what we are, then living in a dorm plays an important role in shaping character. Dorm residents find that communal living offers as much to learn as any classroom. It is a lesson in dealing with people. Dorm residents must learn diplomacy, ("Turn down your stereo, PLEASE") consideration, ("Alright, but don't type until 2 AM") and not to be shy.

But most of all it is a lesson in sharing. Neighbors in a dorm wind up sharing everything from bathrooms to popcorn to backgammon boards to lasting friendships.

Inconvenience Builds Expansion

For those freshmen and transfer students who never knew the campus any other way, the construction was just another part of adjusting to the new surroundings. But for those who were accustomed to walking through the pine trees between the UC and Kerr Hall, and those used to entering the UC through the front door, the construction was a major inconvenience.

However, the temporary inconvenience is a necessary part of making the UC more efficient and accommodating. The construction is just one facet of SFA's continuing expansion.

Iranian Situation Sparks Student Reactions

SFA students joined other Texas students and the rest of the nation in registering protests against the holding of American hostages in Iran. Signs appeared in windows, anti-Iran chants were heard in local clubs, and a group of SFA students staged a demonstration in front of the UC.

Heated class discussions as well as casual jokes and remarks which reflected opinions of the situation became almost daily occurrences as students kept track of developments in Iran.

Friday Night . . .
Fall Carnival

A good crowd and decent weather helped make this one of the best Fall Carnivals ever.

Various campus organizations filled Austin Plaza with booths selling food, drinks, and games. A jump-a-thon was also held to raise money for the Heart Fund.

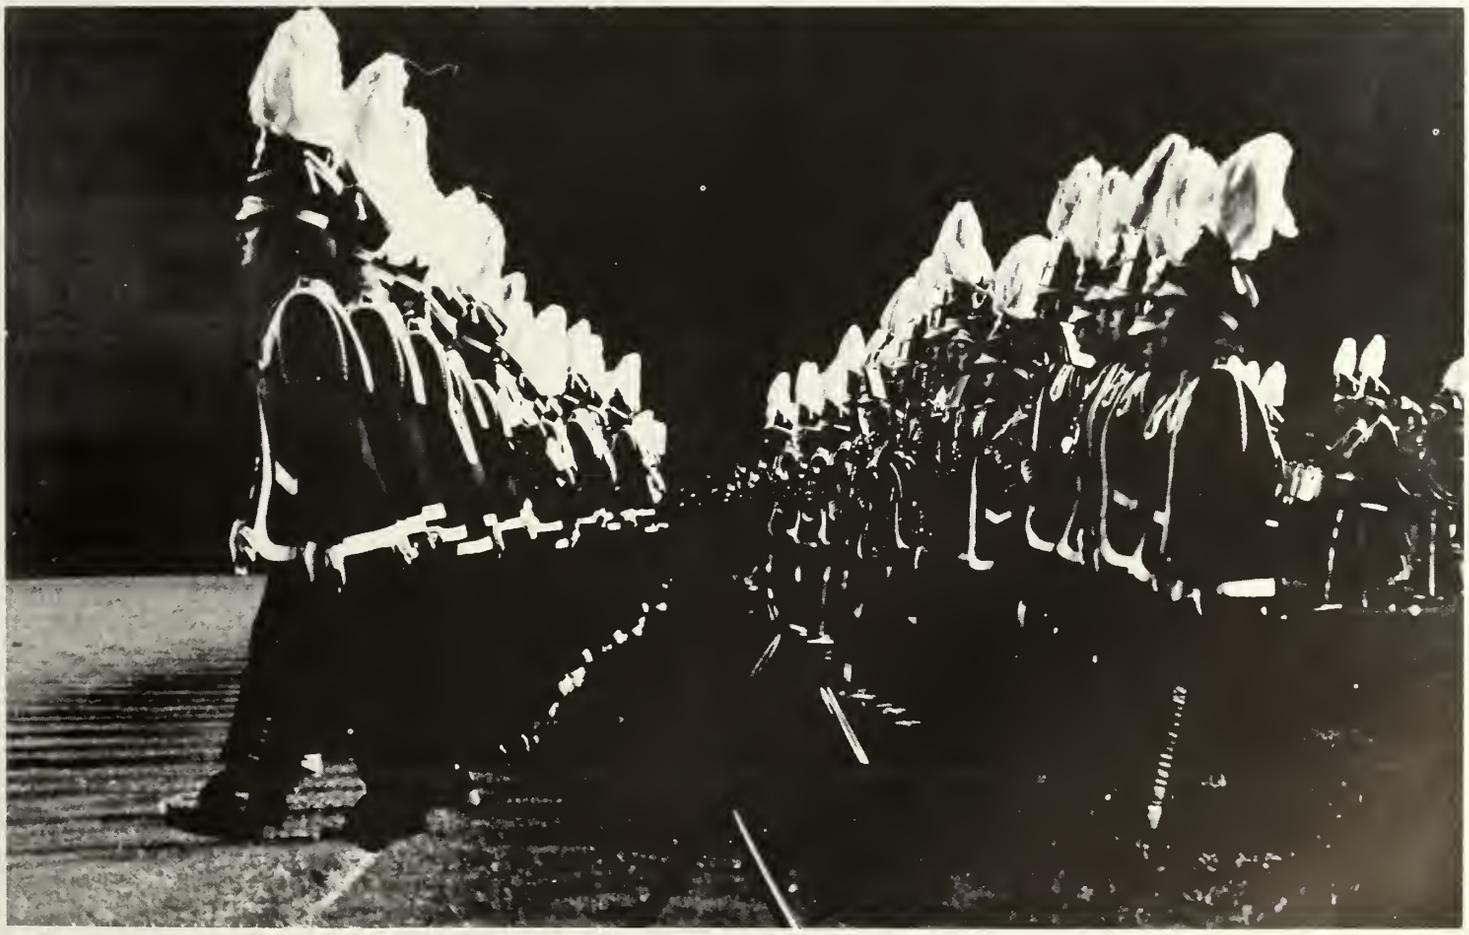
"One of SFA's prides," the Lumberjack band provided Lumberjack football fans with the finest in half-time entertainment.

The precision displayed by the band members, Twirl-O-Jacks and Flagettes was a treat for the ears and eyes of the spectators.

The band put in many hours of practice during the season, preparing special half-time shows for Parents Day and Homecoming.

The marching band is under the direction of Mel Montgomery, assistant professor of music.



After All . . .

Though some say that we are here for a good time and some say that we are here to find someone to marry, those who pay the tuition say that we are here to get an education: classes and labs are part of getting that education.

SFA offers a wide range of degrees and therefore a wide variety of classes. Attending class may entail anything from simply taking notes to rappelling down the side of the Education Building. Even though students do not always realize it, there is something to be learned from every class.

And that is what we are here for.

What Are We Here For?

Everywhere I Turn

Everyone is different. Every ONE is special. And everyone has something to offer.

Though it is impossible to know the 10,000 plus people who are a part of SFA, it is important to realize that it is the people individually and collectively, that make the university what it is . . .

That is why SFA is such a nice place to be . . .

Committees

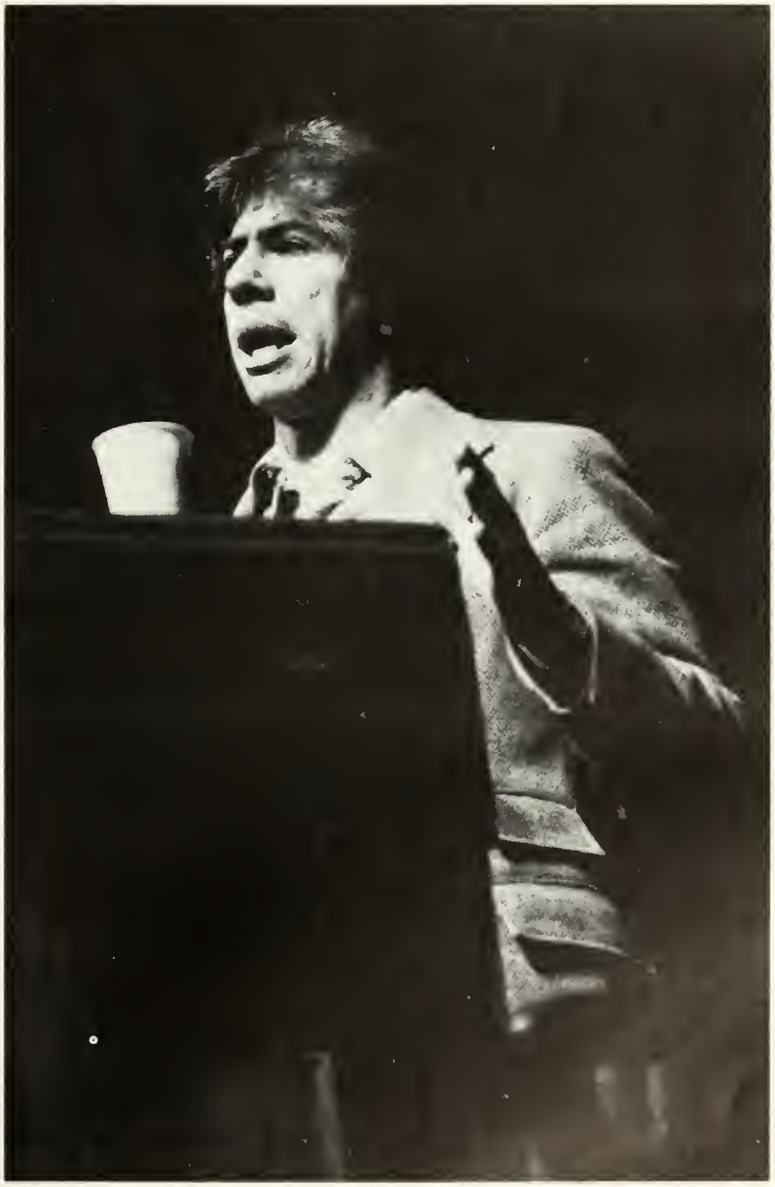
The thirteen University Center Committees are responsible for many campus activities.

The weekly campus movies are shown thanks to the efforts of the Cinema Arts Committee. The Performing Arts Committee is responsible for the concerts here at SFA. The Dance Committee sponsors coffeehouses and concerts.

Other committee activities range from fashion shows by the Fashion Committee to Santa Grams and Pumpkin Hunts by the Hospitality Committee to the lecture of journalist Carl Bernstein sponsored by the Ideas and Issues Committee.

The committees offer students the opportunity to participate in almost anything from working spotlights to canoe trips.

Opportunity for Involvement



Halloween

Hallow's Eve is always interesting in Nacogdoches. October 31, 1979 was no different. People were egged, two yearbook editors were scared witless by prank phone calls while working late at the Rusk Building, and numerous costume parties were held. Members of the University Center Hospitality Committee also took children of faculty members Trick-or-Treating to various dorms.

Art at SFA

Art on campus was the subject of much controversy this fall. Particularly the sculptures around the library and business buildings.

Other student creations are sometimes featured in showcases in the UC and in the Art Gallery upstairs in the Fine Arts Building. In addition to student showings, the Art Gallery occasionally hosts shows such as the "Old Masters Collection."

'Faust'

Faust, an opera by Charles Gounod, was presented January 30 through February 2 in the Little Theater.

The opera is based on a 19th century poem by Goethe. The story concerns an aging man, Faust, who sells his soul to the devil in return for his youth.

The cast included Paul Hartfield as Faust, Robert Harris as Mephistopheles, Carlyn Bowen and Elaine Singley as Marguerite, Ted Stewart as Valentine, and Carol Phillips and Denna Potenza as Marthe.

The opera was sung in English.

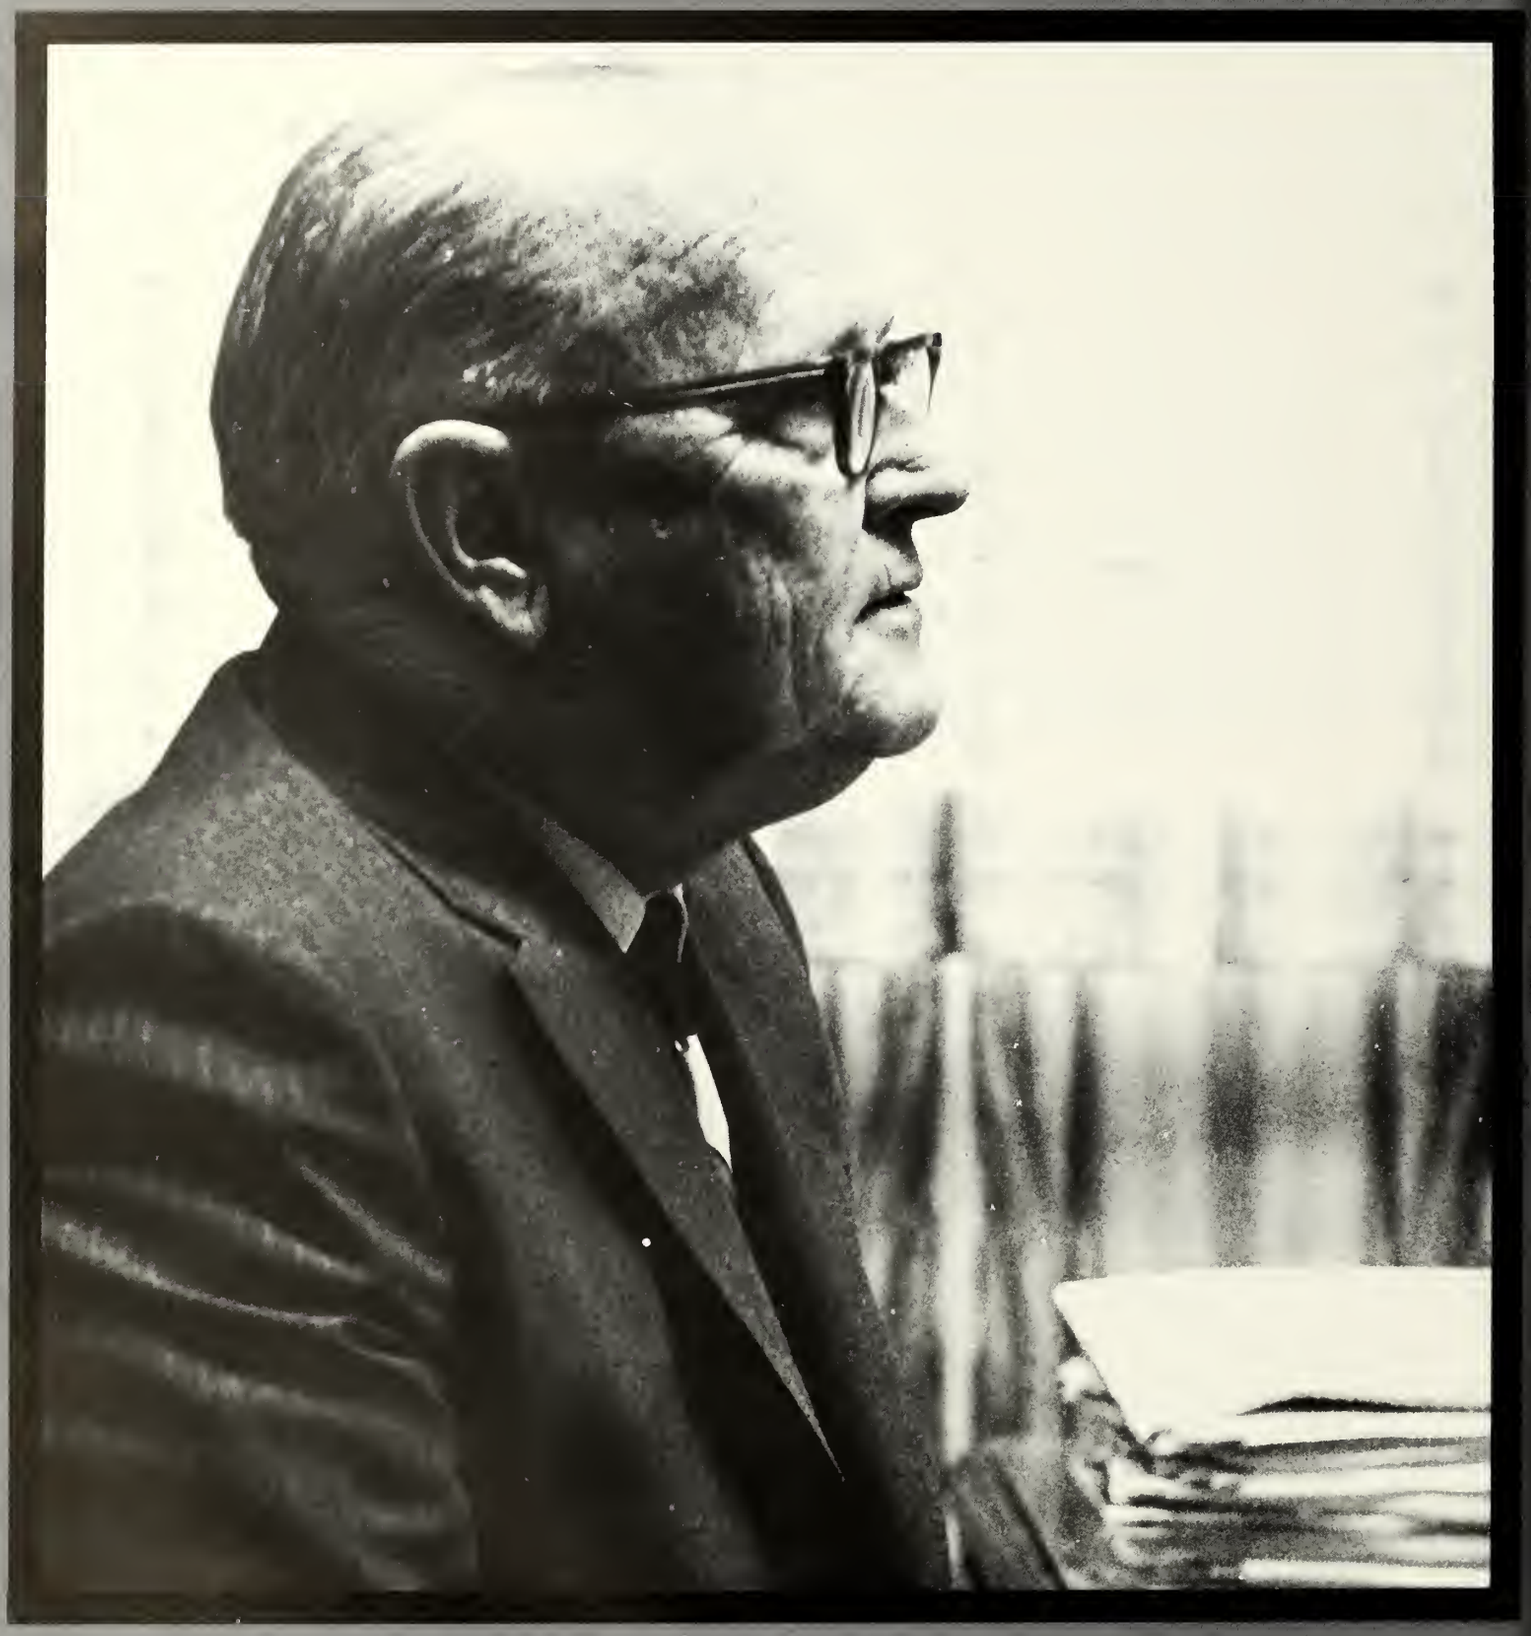
In Memoriam



Dr. Ralph W. Steen

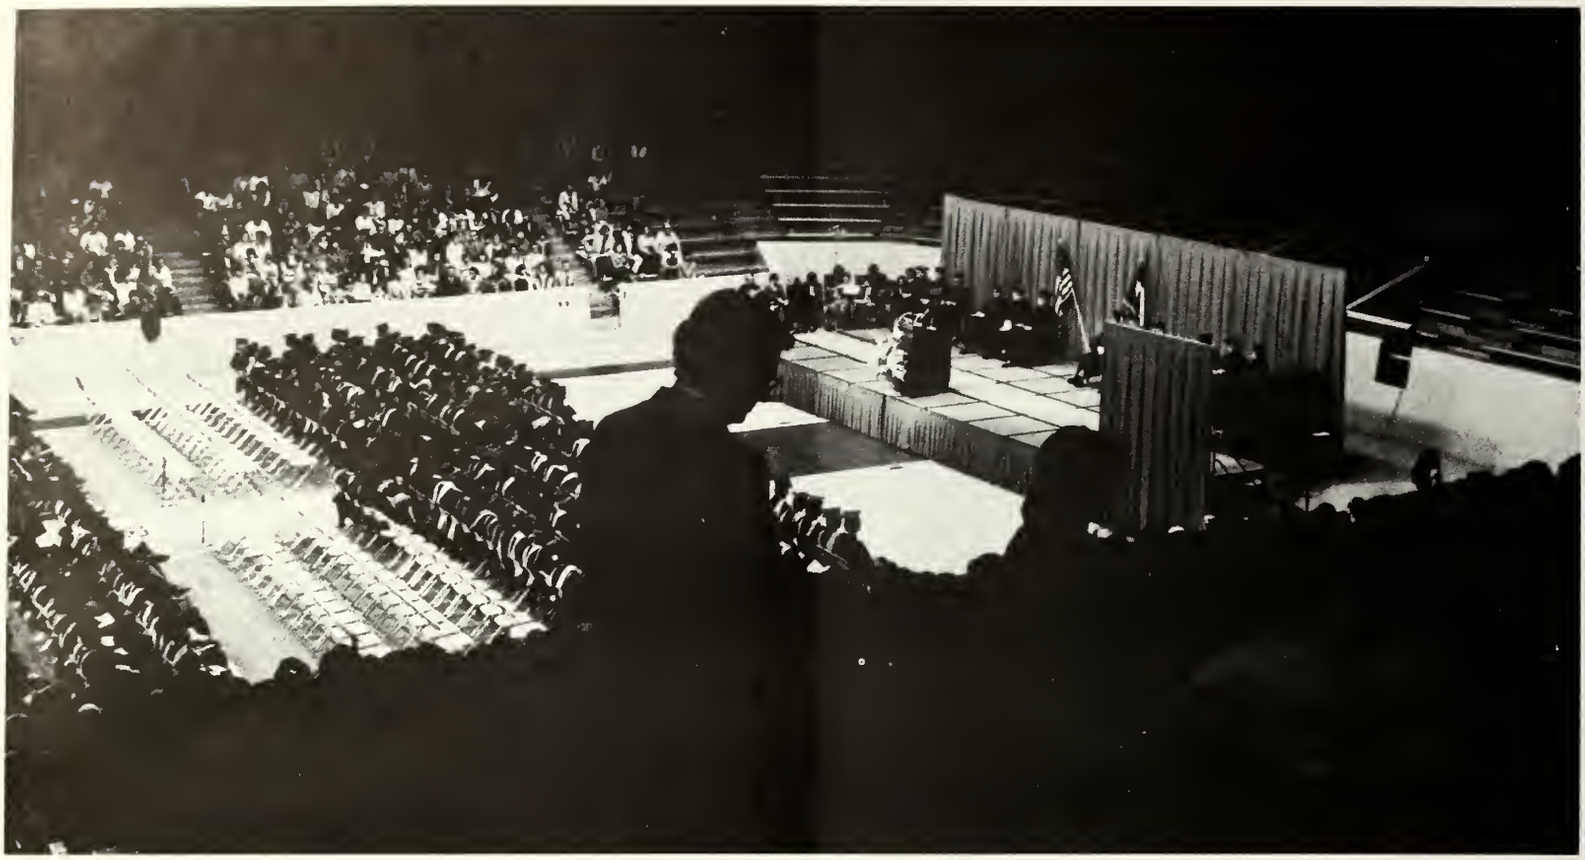
Dr. Ralph W. Steen, educator, historian, and SFA's president from 1958 to 1976, died in Nacogdoches on Jan. 30. Dr. Steen was 74 years old.

During the 18 years that Dr. Steen was president, SFA grew from a small college with an enrollment of 1,992 to a major university with more than 11,000 students.

A noted historian, Dr. Steen wrote 15 books on Texas and American history. He was also a member of the American Historical Association, Southern Historical Association and Texas State Historical Association.

As an educator, Dr. Steen served as president of the Association of Texas Colleges and Universities during 1973-74. He was presented with the distinguished service award for higher education in Texas by the Texas Association of State Senior Colleges and Universities in 1972.

President William R. Johnson expressed mourning for Dr. Steen with these words, "His good judgment, his broad experience, his humanitarian concern for his fellow human beings, and his good humor will be sorely missed."



December Graduation

On December 22, 1979, 116 persons received their Master's degrees while 463 persons received Bachelor's degrees from Stephen F. Austin State University.

The speaker for the Commencement exercises was Wayne H. Holtzman, president of the Hogg Foundation for Mental Health.

The top graduate for December 1979 was Nancy Frost, an Accounting major from Lufkin. Ms. Frost is the fifth person to graduate from SFA with a GPA of 4.0.

Sue Gunter: A Winner

Sue Gunter is a winner. She is currently S.F.A.'s Director of Women's Athletics and Head Basketball Coach with a long history of winnings. Since 1972, Ms. Gunter has coached for an SFA career record of 156-41, and led the teams to four AIAW National playoffs. Her teams have won the State Championships in 1974 and 1977.

Sue Gunter's experience in international basketball is quite impressive. Ms. Gunter was the head coach for the U.S.A. team in 1976, and 1978, touring the Orient and Eastern Europe. She was assistant coach for the U.S.A. vs. U.S.S.R. game in 1976, and assistant coach for the U.S.A. Olympic Women's Basketball Team in 1976 that won a silver medal. Sue Gunter also will be head coach in the 1980 Olympic Women's Basketball Team.

Forty-eight SFA students were nominated for the 1979-80 Who's Who Among Students in American Colleges and Universities.

The nominees were chosen on the basis of Scholarship, participation and leadership in academic and extra-curricular activities.

The students were chosen by a committee of students and faculty appointed by Dr. William R. Johnson from over 250 students nominated by school organizations.

Tae Kwon Do

Tae Kwon Do is an art utilizing the hands and feet of an individual for defense while developing mental concentration and strength of will. The literal translation from the Korean language equates the Korean word Tae Kwon Do to "The Feet," "The Hands," and "The Mind." Proper training results in development of tremendous strength and power, tempered by respect for other people.

In Tae Kwon Do, there are nine degrees prior to the rank of Black Belt, beginning with white belts. Black Belt ranking is preceded by careful evaluation of the individual's character and integrity. Without the proper attitude, the individual is not allowed to test for that rank regardless of skill level or ability to perform the techniques.

Acacia

Acacia is the only fraternity to use an entire Greek word for its name rather than a combination of Greek letters. Acacia received its charter at S.F.A. on April 27, 1975, thus making it one of the youngest fraternities on campus.

The fraternity colors are black and old gold and its flower is a sprig of Acacia in bloom. The Acacia Order of the Delphi is the group's auxiliary organization.

The annual Founder's Day Formal is held each spring to commemorate the founding of the S.F.A. chapter.

Scholarship, community service and fraternal brotherhood are high priorities of the fraternity. The chapter is involved in intramurals and special emphasis is placed on Homecoming festivities.

Acacia works to benefit mankind. Along with other Texas chapters, this chapter brought the Dallas Cowboys' football team here to play a benefit basketball game for the Shriners' Burn Institute in Galveston. The fraternity also assists in the East Texas Special Olympic Games for the handicapped.

The colors of the fraternity are green and white with the white carnation as its flower. A tradition with the Delta Sigs is the axe handle which is a familiar sight at Lumberjack football games.

Recently the Delta Sigs began raising money for charity by hosting an annual Playboy Bunny Contest. They are also active in intramurals and other campus activities. The Dream Girl Formal marks the end of each school year for Delta Sigs.

In 1865, shortly after Lee surrendered to Grant, four men founded Kappa Alpha Order at Washington and Lee University. Robert E. Lee, president of the University at the time, provided the Founding Fathers with the images of a perfect gentleman and of a courageous soldier. There ideals of courtesy and bravery are incorporated into the present day Kappa Alpha Order. Thus General Lee is considered to be the "Spiritual Father" of Kappa Alpha.

Chartered at SFA in 1968, Kappa Alpha has grown to be the largest fraternity on campus with 35 active members and 25 pledges. Crimson and Old Gold are the official colors of the Order, while the Red Rose and the Magnolia blossom are designated as the fraternity's flowers. The fraternity sponsors the annual KA Fight Night and ends the year with their traditional "Old South Ball," held in New Orleans.

Sigma Chi, one of the oldest social fraternities, was founded nationally in 1855. The Eta Tau Chapter of Sigma Chi was founded at Stephen F. Austin on April 12, 1975. In the spring they sponsored their annual Derby Day. It served to promote spirit between fraternities and sororities, but more important was the money raised and donated to Wallace Village School in Colorado for children with minimal brain damage. Sigma Chi believes that the brotherhood of its members is greatly enhanced by possessing a complimentary variety of personalities joined together for the purpose of friendship.

Sigma Tau Gamma, natonally founded on June 28, 1920 at Warrensburg, Missouri, was formed chiefly because of the friendships developed during World War I. This spirit of brotherhood lives on in the Gamma Pi chapter at Stephen F. Austin which was started on November 27, 1970. Sigma Tau Gamma has enjoyed a rich and proud history in the school and the community. While being extremely competitive in intramural sports, many Sig Taus have also exhibited academic excellence by graduating as select students. One of the chapter's community philanthropies is the Jerry Lewis M.D.A. Telethon. Annual events include Homecoming, Parents' day, the Sig Tau basketball tournament, and the annual White Rose spring formal. This year the Sig Taus will celebrate their 10th anniversary at SFA. Sigma Tau Gamma has had a prestigious past and is looking forward to an even more exciting future.

Theta Chi is a national fraternity founded in Norwich, Vermont, on April 10, 1856. Epsilon Tau, the local chapter, received its charter on May 20, 1961. Theta Chi's colors are military red and white with the red carnation as the flower.

Theta Chi currently has 57 actives, 13 of which are new initiates. The fraternity earned money for the Nacogdoches Treatment Center again this year by collecting donations for each mile pulled at the fraternity cannon pull, an annual event held on Homecoming weekend. The Theta Chis are the reigning Greek Week champions and also excelled in intramurals.

Theta Chi's largest celebration is the annual Red and White Formal. This year the formal was held in Dallas where Kim Fish was chosen sweetheart.

A Season to Be Proud of

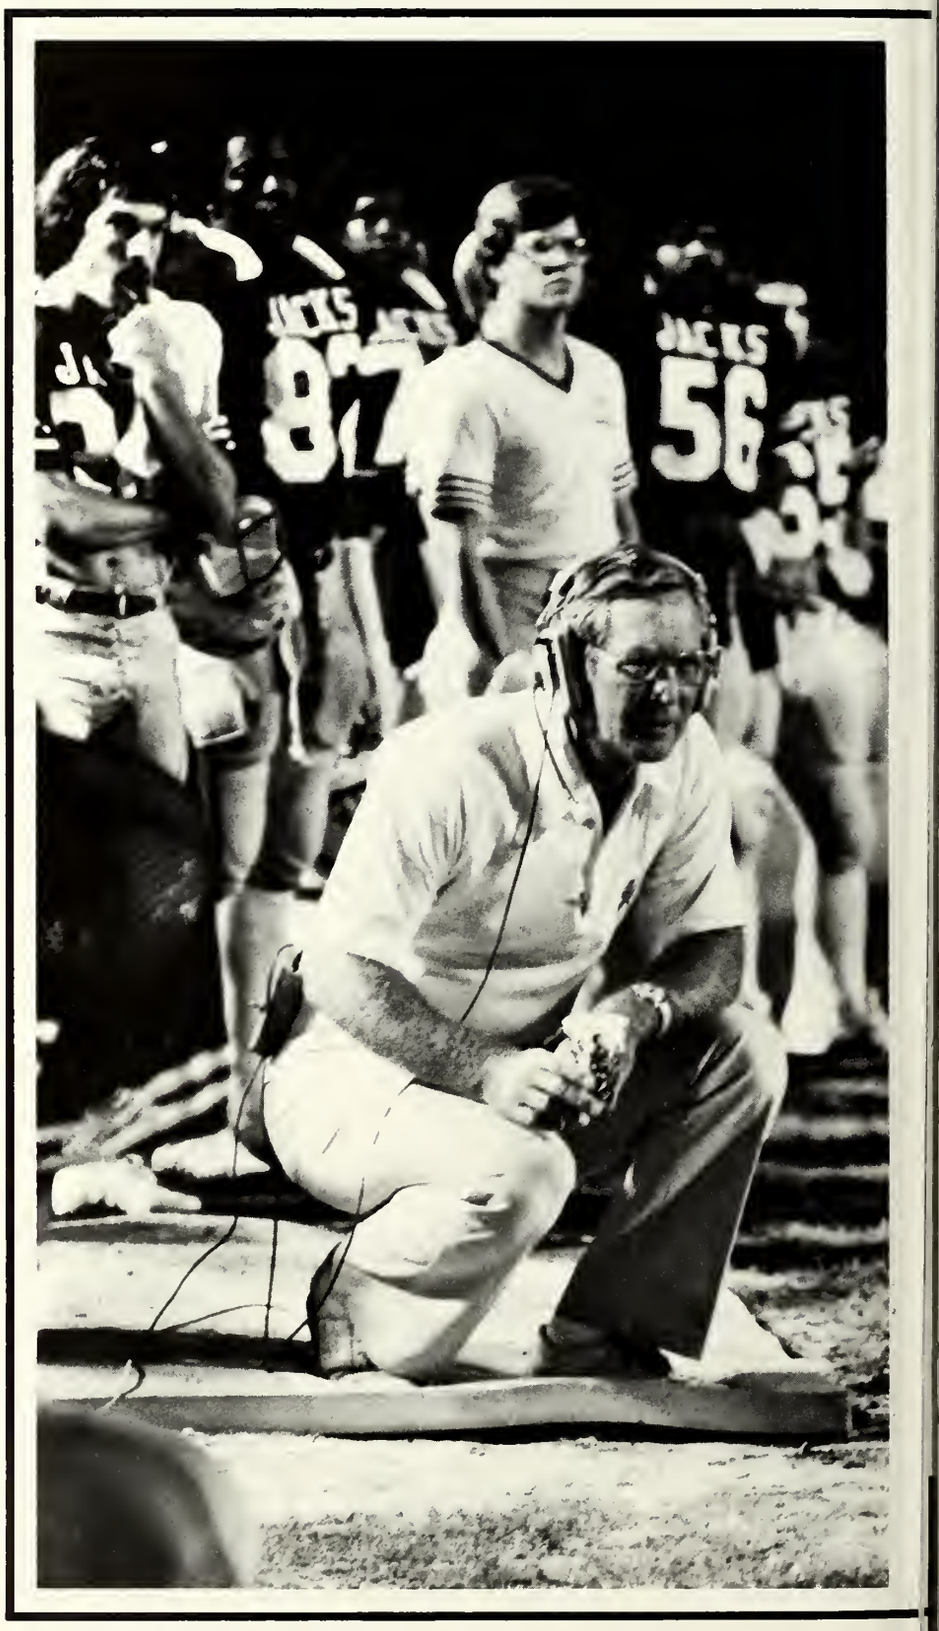
The Lumberjack Football Team finished the 1979 season with an 8-3 record and tied for second place in the Lone Star Conference with East Texas State and Angelo State.

Head Coach Charles Simmons became the first Lumberjack football coach to be selected Lone Star Conference Coach of the Year. Coach Simmons received seven of the eight votes.

SFA lineman Ron Haynes was selected as part of the Kodak All-American Football Team. Paul Hood was named to the second team while Randy Courtney and John W. Robertson received honorable mentions.

Tailback Paul Hood became the first Lumberjack to lead the Lone Star Conference in scoring. Hood scored in 10 of the 11 games setting new SFA records for touchdowns, rushing, total touchdowns and points in a season.

This was the Lumberjack's best season since 1974.



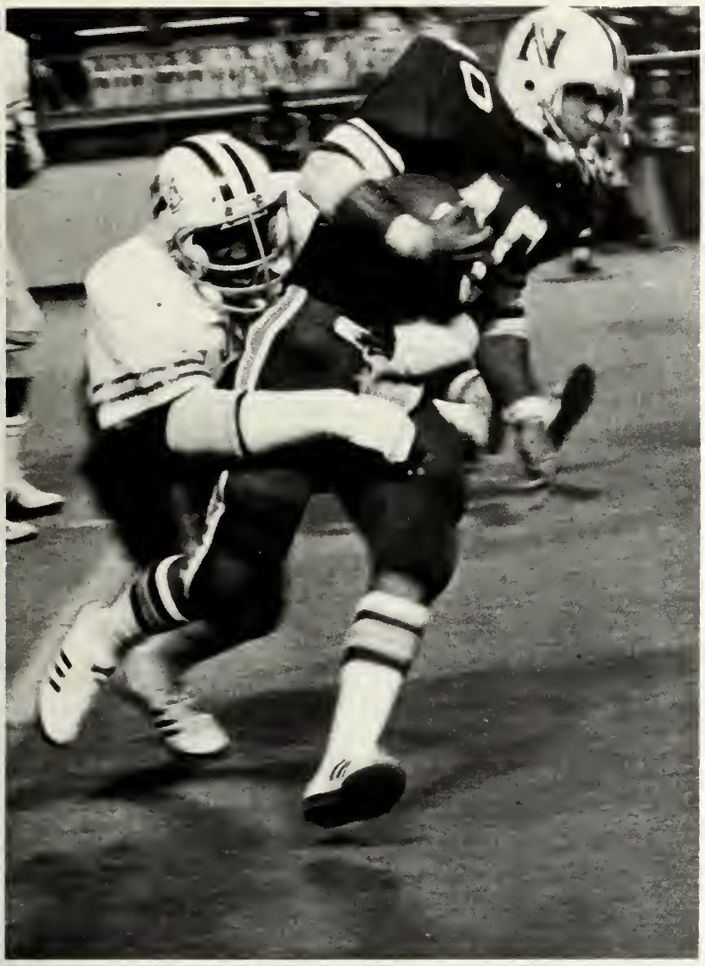
Baker University

The Lumberjacks blasted the Baker Wildcats in the opening game of the 1979 season with a 56-0 victory. This was the first opening day victory for SFA since 1974. The Jacks offense dominated with 490 total yards with a powerful defense holding the Wildcats to only six first downs.

Tailback Paul Hood, a Houston junior made three touchdowns and had 140 yards rushing on 10 carries. For this performance, he was named Lone Star Conference offensive player.

Texas Lutheran

After causing nine Bulldog turnovers and scoring seven touchdowns, the Lumberjacks defeated Texas Lutheran 58-0. The Jack offense and defense worked hard to bring SFA its fourth victory in a row. The Jacks defense held the Bulldogs offense to 159 total yards, 87 passing and 72 rushing.



Northwestern State

The Northwestern State Demons took advantage of good field position as they defeated the Lumberjacks 27-21.

The win allowed Northwestern to retain Chief Caddo for the fifth straight year and to increase its dominance of the battle by 10-3.

Angelo State

SFA had "Lumberjack Lunacy" after the 21-0 victory over the defending national champions and top-ranked Angelo State. SFA shutout Angelo State for the first time since 1976 and put an end to their 19 game winning streak. The victory was the fifth in a row at home and the defense ran their scoreless streak to 16 quarters at home.

SFA, Contender for Conference Title

When the SFA Lumberjack Basketball team lost its season opener to Abilene Christian University no one would have ever expected the Jacks to be a contender for the conference title. SFA was picked to finish no better than seventh in the Lone Star Conference.

By defeating Texas A&I 86-71, the Jacks took sole possession of first place in the LSC with a 6-1 record. This win also set a Coliseum record of 11 straight home wins for the Jacks.

The Jacks started a three game road trip on February 4th. Road trips usually meant disaster for the young team, and this one was not much different.

The Jacks started off strong by defeating Texas A&I in a come from behind win 60-58, which kept the Jacks in first place in the LSC. But the Jacks then lost to Southwest Texas with only seconds to play and they also lost to Sam Houston in double overtime. Even after the two losses on the road, the Jacks still remained in third place in the LSC.
